

GRAPHITE PRO

Technical specification	Cat. No.	59GP400
	Brand	GRAPHITE PRO
	Name	Cordless drill&screwdriver
	EAN	5902062022387
	Battery voltage:	18 V DC
	Idle rotational speed:	0-400/0-1500 rpm
	Drill chuck range:	1.5-13 mm
	Max. torque (soft):	40 Nm
	Max. torque (hard):	68 Nm
	Torque adjustment range:	1-15 (plus drilling option)
	Battery type:	Li-Ion
	Battery capacity:	2.5 Ah
	Tool dimensions, L x H:	210 x 225 mm
Package	BMC	
Accessories	battery - 2 pcs, charger - 1 pc, double ended driver bit - 1 pc	
Specific features	<ul style="list-style-type: none"> ergonomic shape and precise balance 	
	<ul style="list-style-type: none"> two gear design allows to adjust rotational speed and torque to the task at hand 	
	<ul style="list-style-type: none"> precise torque adjustment 	
	<ul style="list-style-type: none"> charging peripheral devices through USB port located on the battery 	
	<ul style="list-style-type: none"> battery level indicator 	
	<ul style="list-style-type: none"> workplace LED illumination 	
	<ul style="list-style-type: none"> charger switch off trips after the battery has been charged or temperature limit has been reached
